- Please return your chip at the finish line. **Damaged/unreturned chips incur a \$20 fee**

If you do not finish the race, please return it to an official on the course or send to Athletics Tasmania GPO Box 2051 Hobart

## Timing

The Cadbury Marathon will award results based on gun time in accordance with the IAAF standards for marathons. Gun time is the time the start gun is fired. Your start time will be recorded as the gun time regardless of the actual time you cross the start line (i.e. if it takes you 5 seconds to cross the start line, your start time will still be 6:00:00am, not 6:00:05am). Finish time will be recorded as you cross the finish mat.

## Use of MP3 players and iPods

We strongly recommend that participants do not wear headphones when competing so you are able to hear requests from fellow competitors, police, marshals and traffic. Although the roads are closed to the majority of traffic there will be emergency services vehicles on the course and public transport vehicles so please be aware of your surroundings.

## Race Bibs

Race bibs must be worn on the front of your shirt. No bib, no finisher medal.

## Bag Drop

You can leave a bag at the race administration area which is located in the former Cadbury visitor centre. Please attach the bag tag from your race bib to your bag – **untagged bags and/or single items such as phones and keys will not be accepted**. All care will be taken but Athletics Tasmania is not responsible for lost items that fall out of bags.

## Late Entries and Race Changes

Late entries will be available on the day up to 30 minutes prior to each race as limits allow. No race changes will be permitted after 5 January 2017.

## Toilets

Portaloos are available at the start/finish on the grassed area and also available at the Cadbury tennis courts. Portaloos will also be at each drink station.

## Drink Stations

There are 3 drink stations on the course at Berriedale, Goodwood Rd and Claremont Primary. The 5k will also have a drink station.

Drink stations will have water and electrolyte. Individual drinks for the marathon and half marathon can be handed in to the Running Edge before 3:30pm on Saturday 14 January or on race morning **by 5:15am** at the race admin centre at Cadbury.
